

GEORGIAN COURT CERTIFICATES

Georgian Court certificates are awarded at the completion of a specific program of study. Many Georgian Court certificate programs also result in eligibility for certification or endorsements to certification through the New Jersey Department of Education. Georgian Court certificates are not to be confused with New Jersey Department of Education teacher certification, administrative certification, or educational services certification, which require applications to the state upon completion of the program of study. See program sections for admission and completion requirements for GCU certificates.

Note: GCU's GRE code # is R2274.
