COMMUTING

Commuting students are an integral part of the Georgian Court community. They have the use of the library/student lounge complex; the fitness center; the Lion's Den; the Health Center; the Counseling Center; the Office of Career Services; the Office of Campus Ministry; and the Office of Student Life, among others. They are invited to all special dinners and receptions. It is in their interest to attend university functions in the evenings and afternoons and to participate as fully as possible in the life of the university.
