

MILITARY & VETERANS SERVICES & OUTREACH

The Student Veterans Association offers a variety of academic, social, and logistical resources aimed to assist active service members and veterans who are students at Georgian Court University, as well as their families.

The Veterans Lounge is open in Jeffries Hall 144, a few doors down from the Little Theatre. Focus on your studies, network with others, or simply hang out. It is also a place where connections can be made and relationships built with like-minded students, many of whom share similar past experiences.

Having served our country with honor, courage, commitment, and loyalty, it is only right to have a place all your own. To connect with us, visit the GCU Veterans Facebook group (<https://www.facebook.com/groups/GCU.Veterans/>).
