Financial aid is available to matriculating graduate students who have been admitted as a degree or certificate candidate and intend to register at least half-time (5 credit hours per semester or a Certificate of Equivalency) in their program. For the purposes of financial aid, Georgian Court University has established that 9 semester credit hours of coursework constitutes full-time status.

Georgian Court University reserves the right to review, adjust, or cancel awards at any time because of changes in your financial or academic status, academic program, athletic program, enrollment status (half-time to part-time), or students code of conduct violations. Awards are contingent upon actual receipt and verification of funds by GCU. If adjustments are made to the university's federal and /or state allocations, the university reserves the right to adjust individual aid awards at the beginning of each semester, as necessary. All students' financial aid awards are contingent on the availability of funds. The Georgian Court University Office of Financial Aid reserves the right to review and cancel awards at any time during the academic year.
