

MILITARY AID REFUND POLICIES

Military (Tuition Assistance [TA]) Refund Policy

Up to the 60% point in each period of enrollment, a pro rata schedule is used to determine the amount of funds the student has earned at the time of withdrawal. Georgian Court University refunds the actual percentage of unearned aid up to the date of withdrawal. After the 60% point in the period of enrollment, a student has earned 100% of the aid funds awarded for that period and all aid funds will remain on the student's account. In instances when a service member stops attending due to a military service obligation, Georgian Court University will work with the affected service member to identify solutions that will not result in student debt for the returned portion.
