

# GRADUATE

---

GCU's graduate programs are designed to seamlessly build upon a liberal arts baccalaureate foundation. A blend of theoretical and practical instruction results in an in-depth understanding and expertise. Graduate students often work one-on-one with scholar professors, creating individual research projects and scholarship journeys that provide new insights into their chosen fields, as well as the competitive edge for doctoral study and advanced career placement. The infusion of Mercy core values throughout the curriculum leads to heightened awareness of ethical issues within the field as well as a global perspective.

Georgian Court University offers more than 10 graduate degree programs with numerous areas of concentration and certification. Programs are delivered through day and evening classes, as well as through online, and accelerated classes that allow students who work full time the opportunity to achieve academic goals or participate in professional development.

Georgian Court University offers graduate programs and classes at the main campus in Lakewood, online, and at other locations in New Jersey. To arrange a visit, call the Office of Graduate and Continuing Education at 732-987-2770. Visit GCU at <http://www.georgian.edu> or write to:
