Visit <http://www.georgian.edu/apply/> to apply. Georgian Court accepts applications on a rolling basis; applicants are considered for admission as soon as their application files are completed. Priority deadlines are November 1, January 1, and March 1.

1. Official transcripts from secondary and post-secondary institutions must be submitted directly to the Office of Admissions. Transcripts from home schools should be self-certified for submission. Official GED or HiSET records are accepted in place of secondary transcripts showing secondary school graduation.

3. An interview with the Office of Admissions staff may be required to complete the application process. Determination of this interview will take place once all required documents are received by the Office of Admissions, which will notify the student if an interview is necessary.
4. A student who receives an offer of admission must signify acceptance by sending a \$250 nonrefundable deposit. The deposit priority deadline is May 1 for the fall semester and January 1 for the spring semester. Residence facilities are available for full-time matriculating students. Payment of the deposit will begin the enrollment procedures.
