

# STEP AHEAD FOR HIGH SCHOOL STUDENTS

---

Academically high-achieving high school students may take university courses at the Lakewood campus for academic enrichment. Students must complete a Step Ahead application, submit high school transcripts, and have adequate high school preparation for the selected course(s) and must be recommended by the high school guidance counselor. Step Ahead students can take one course per semester (fall, spring, and summer) at the discounted rate. Contact the Office of Admissions at 732-987-2700.
