

MARKETING (MK)

MK100 Career Exploration in Digital Marketing (3.0 Credits)

This course will help you find a job in Digital Marketing that excites you and meets your financial needs. Not just any job; one that excites you and meets your financial needs. You will explore career paths, potential salaries, and the skills required to achieve those salaries. This exploration will help you identify target jobs and opportunities. You will then plan the steps needed to achieve your goals and begin executing that plan. This online class has optional live sessions.

MK146 Introduction to Digital Marketing (3.0 Credits)

Digital Marketing is a dynamic field with many different channels, each targeting unique audiences using specific analytics tools and strategies. This course uses case studies and hands-on exploration to survey these channels and trends, introducing key marketing concepts and how they connect to business and sales goals. Students will practice using real-world digital marketing tools and create strategy plans based on research and analysis of successful campaigns.

MK241 Principles of Marketing (3.0 Credits)

Consideration of the functions involved in the process of transferring goods from the producer to the consumer; the various channels of distribution; the methods and the cost of marketing; the role of advertising and sales promotion. The structure, functions and behavior of distribution systems including relationships in marketing networks among manufacturers, retailers, consumers, specialized marketing firms and governmental agencies.

MK246 Social Media Marketing (3.0 Credits)

Social media represents one of the most significant changes in consumer media behavior in history, resulting in fundamental shifts in the way marketers communicate and interact with consumers. This course provides an introduction to the social media marketing process and the associated platforms entailing websites, blogs, and mobile applications. Students will obtain the practical knowledge and insights required to establish objectives and strategies, properly select the social media platforms to engage consumers and monitor and measure the results of these efforts. An emphasis will also be placed on effective online written skills and addressing ethical issues of social media marketing. Prerequisite(s): BU241 or MK241.

MK266 Going Viral & Growth Hacking (3.0 Credits)

"Going Viral" is the goal of most web-based marketing content. Companies that generate content that can spread through the internet organically are the most successful in growing their brand. This course will teach you what drives people to share content and how to build content that is shareable and meme-worthy. By the end of this course, you will understand what drives viral sharing and learn how to facilitate it. This online class has optional live sessions. Prerequisite(s): MK241.

MK341 Consumer Behavior (3.0 Credits)

An introduction to consumer behavior examining the development of research theory while analyzing consumers through demographic, geographic, and psychographic characteristics. Explore the major determinants of consumer behavior, consumer decision process, and its impact on economic activity. Prerequisite(s): BU241 or MK241.

MK342 Principles of Advertising & PR (3.0 Credits)

Study professional advertising and public relations techniques while considering social, legal, technological and ethical variables of the industry. Emphasis on problems related to determining total advertising and public relation individual budgets, choice of suitable media, the requisites of effective promotional messages, and types of advertising and public relations research.

Prerequisite(s): BU241 or MK241.

MK343 Sales & Sales Management (3.0 Credits)

Investigate the principles of successful selling; sales techniques and tools; sales personality; behavioral styles and demographic diversity of the consumer; legal and ethical responsibilities of the sales person; and the role and responsibilities of the sales manager.

Prerequisite(s): BU241 or MK241.

MK356 Lifecycle & Email Marketing (3.0 Credits)

Email marketing is vital to modern businesses and a primary tool in any skilled marketer's toolkit. In this course, you'll learn how to craft successful email marketing campaigns for sales, engagement, and activation. By the end of this course, you'll know how to write emails that drive customers to take desired actions and how to structure campaigns for maximum effect. You'll also build your own marketing campaign. This online class has optional live sessions.

Prerequisite(s): EN111 or EN221, and MK241 or CM209

MK442 Marketing Research (3.0 Credits)

Investigate the function of marketing research management and methodologies, including problem identification, establishing management and marketing objectives, developing the research plan, choosing the proper sample, legal and ethical parameters, demographic diversities, design of data-gathering instruments, data analysis, the development of conclusions and recommendations, and preparing the report.

Prerequisite(s): BU221, and either BU241 or MK241.

MK446 Digital Mktg Analytics & Experimentation (3.0 Credits)

Marketing professionals today have access to incredible amounts of data. The ability to use this data is what differentiates successful marketing efforts from failed ones. This course will teach you how to analyze digital customer behavior data using a range of tools, and use that data to test marketing hypotheses and improve customer acquisition. This online class has optional live sessions.

Prerequisite(s): MK246

MK456 Growth & Multi-Channel Marketing (3.0 Credits)

In the real world, companies use multiple channels for marketing efforts. Campaigns are spread across social media, email, search, and more for maximum reach and engagement, leading to multi-channel strategies. In this course, you'll learn to create effective multi-channel marketing plans, considering the advantages and disadvantages of each platform. By the end, you'll produce a portfolio-worthy digital marketing campaign plan that utilizes multiple channels.

Prerequisite(s): MK256 or MK356.
