

PRE-PROFESSIONAL CAREER PREP

Pre-Occupational Therapy Track

In addition to the required courses for either of the concentrations in the exercise science major, students must take:

Code	Title	Credits
PS111 or PS113	Introduction to Psychology Foundations of Psychology	3.0
SO101	Principles of Sociology	3.0
PS223	Psychopathology	3.0
PS227	Lifespan Development	3.0
Total Credits		12.0

Pre-Physical Therapy Track

In addition to the required courses for the exercise science concentration in the major, students must take:

Code	Title	Credits
Select one of the following:		3.0-4.0
MA110	Precalculus	
MA115	Calculus I	
Select one of the following sequences:		8.0
PH115 & PH116	College Physics I and College Physics II	
PH121 & PH122	University Physics I and University Physics II	
PS111 or PS113	Introduction to Psychology Foundations of Psychology	3.0
PS223	Psychopathology	3.0
Select one of the following:		4.0
BI204	Genetics & Evolution	
BI219	Microbiology	
BI407	Neurobiology	
Total Credits		21.0-22.0

The chemistry requirement must be fulfilled by CH113 General Chemistry I and CH114 General Chemistry II and the biology requirement by BI121 Cellular Organiz., Energetics & Function.

Pre-Physical Therapy Track, Saint Joseph's University (Philadelphia)

Saint Joseph's University (formerly University of the Sciences) shall annually accept at least two GCU students who successfully meet all criteria for admission to the D.P.T. program. Saint Joseph's University will determine which students who meet the criteria for admission are accepted into its D.P.T. program. In addition to the required courses for the exercise science concentration in the major, students must take:

Code	Title	Credits
BI203 or MA103	Experimental Design & Statistics Introduction to Statistical Thinking	3.0
BI204	Genetics & Evolution	4.0

MA115 or MA110	Calculus I Precalculus	3.0-4.0
PH115 & PH116	College Physics I and College Physics II	8.0
Select two of the following four:		6.0
PS111 or PS113	Introduction to Psychology Foundations of Psychology	
PS221 or PS224 or PS227	Child & Adolescent Development Adult Development Lifespan Development	
PS223	Psychopathology	
PS360	Cognitive Psychology	
Social science coursework (AN, EC, PO, PS or SO)		6.0
EN111 or EN221	Academic Writing and Research I Honors Argument: Rhetoric & Research	3.0
Additional English course higher than EN111		3.0
Total Credits		36.0-37.0

The chemistry requirement must be fulfilled by CH113 General Chemistry I; CH114 General Chemistry II and the biology requirement by BI121 Cellular Organiz., Energetics & Function. HRP200 Medical Terminology is recommended and if it is not completed at the time of acceptance by Saint Joseph's University, students can opt to complete an online proficiency course prior to the start of the program in May. Students must declare their intent to apply to Saint Joseph's University through the GCU partnership agreement no later than one year prior to the summer start date of the D.P.T. program at Saint Joseph's University. For more information, talk to your academic advisor.

Pre-Physician's Assistant Track

In addition to the required courses for either concentration in the exercise science major, students must take:

Code	Title	Credits
BI204	Genetics & Evolution	4.0
BI219	Microbiology	4.0
CH113	General Chemistry I	4.0
CH114	General Chemistry II	4.0
CH223	Organic Chemistry I	4.0
HRP200	Medical Terminology	3.0
PS111 or PS113	Introduction to Psychology Foundations of Psychology	3.0
Total Credits		26.0
