

GERONTOLOGY, MINOR

The minor in gerontology is designed to enhance the knowledge and skill development of professionals, paraprofessionals, and students who are involved in the field of aging or who are planning careers with an emphasis in gerontology. Students must complete GP207 Psycho-Social Aspects of Aging and 15 additional credits. IH330 Health, Humor & Healing and IH335 Integrative Stress Management & Health may be taken as part of the minor.
